SVP Food and Finance at Christmas.

On behalf of those who received support from the SVP, thanks to your generosity, a really big thank you. A total of six families each received a substantial hamper which when coupled to the financial support we were able to offer ensured they enjoyed a worry-free Christmas break. The astonishment on their faces made Christmas all the more enjoyable for us. From our SVP conference Thank you to everyone.

Food may be left at the back of church, throughout the year, to help similar families

Mass intentions

Offering the sacrifice of the mass is the central prayer of the catholic church. All masses are offered for the whole world, and for all people, living and dead; but at each mass, the priest has a specific intention for which he particularly offers that mass.

If you would like a mass offered for someone or for some particular intention, please fill in one of the small brown envelopes that can be found at the back of each church, and put it in the collection plate at Sunday mass. Those who count the collection after mass will pass the intention on.

Please put your contact details, telephone number or email address on the envelope so that when the mass is scheduled, we can contact you to let you

Ill or going into hospital

If you are seriously ill at home or go into hospital, remember to let the priest know so that you can receive the sacrament of the sick (anointing). We all need to know that it is simply the case that the hospital do not tell the priest when a catholic is in hospital any more or even tell the hospital chaplain. They only do this when a patient asks them to do so, so please ask.
