SVP Food and Finance

The SVP are seeking, once again, to provide local families with sufficient food to see them through the Christmas period. Alongside this we are looking to cover some of their electric and gas supplies. All types of tinned food and personal hygiene items welcome. Items can be left in the boxes at the back of each church. Any donations large or small can be placed in an envelope marked SVP and put into the collection baskets up until Christmas.

Catholic Childrens' Society (Plymouth) Christmas Cards

These are on sale in each church. They are made from designs from the Catholic schools in the diocese. The cards cost £5 a pack, and all the profits go to the Society.

Readings at Mass

Those who want to be able to read the readings at mass while they are being proclaimed have several options. The old Sunday missals, if you still have them still work. The readings haven't changed, only the text of the mass has, so you can follow the readings for the Sundays of all three years in the old or new Sunday missals. New ones cost about £15. There are several old copies hanging around the back of each church

Those of you who like smart phone technology can download the "Universalis" app, which for only about £10 will give you the readings for all masses of the year for ever, and a lot more besides. Lots of people in the parish already use this, just ask around and someone will show you if you are interested.

If you want a book especially for this year, there are several that you can buy from online bookshops, they are usually round about £7.
