Organ try out at Holy Family

In order to move the pews at Holy Family nearer the sanctuary, we are going to buy a new organ so that we can relocate the present one.

The new organ will be physically smaller than the existing one but hopefully more musically capable.

A demonstration organ (the same make as the one in Holy Redeemer) is being brought on Saturday (18th) at 11am to see what it sounds like. Anyone who is interested is welcome to come along.

Get the Parish Newsletter by email

We have started to send the newsletter out each week by email. This will normally be on Friday or Saturday. If you would like to receive the newsletter in this way, simply go to the parish website and locate the newsletter page. There you will see a form to fill out to receive the newsletter. If you have filled out this form but not received anything, check your junk folder and transfer to your inbox so your email system knows you want to receive it. If problems still persist speak to the priest or email the parish secretary.

Mass intentions

Offering the sacrifice of the mass is the central prayer of the catholic church. All masses are offered for the whole world, and for all people, living and dead; but at each mass, the priest has a specific intention for which he particularly offers that mass.

If you would like a mass offered for someone or for some particular intention, please fill in one of the small brown envelopes that can be found at the back of each church, and put it in the collection plate at Sunday mass. Those who count the collection after mass will pass the intention on.

Please put your contact details, telephone number or email address on the envelope so that when the mass is scheduled, we can contact you to let you know in advance when the mass will take place.

Ill or going into hospital

If you are seriously ill at home or go into hospital, remember to let the priest know so that you can

receive the sacrament of the sick (anointing). We all need to know that it is simply the case that the hospital do not tell the priest when a catholic is in hospital any more or even tell the hospital chaplain. They only do this when a patient asks them to do so, so please ask.

First Communion Preparation

We will be preparing children for their first holy communions in all three churches this year.

If you are interested see Fr Petroc. From time to time there will be notes about the preparation in each church. This is about St Pauls.

Preparation for Holy Communion candidates will commence Wednesday 22nd Jan at 3.30 through to 4.30pm. The sessions will be held in St Pauls' school. Anyone wishing to join the programme is asked to contact, either Fr Petroc, Fran Morris or Anne Hawcroft.
