Working Party at St Pauls Saturday morning

Anyone who wants to join the working party will be welcome. Jobs include changing hinges and rehanging the external doors. (Big flat screwdrivers and hammer or manual impact driver and a bit of knowhow needed for the removal of the old screws.) Burning the garden waste behind the church and supervising the bonfire. Weeding and foliage trimming around the front of the church. Any other work you are aware of. Bring tools.

New Christmas Song

We have had the suggestion that as so many nationalities gather at Holy Family for mass, we could learn a Christmas song from somewhere else in the world. If you have a traditional Christmas song from outside the UK which you think we could learn and sing, let us know.

Vehicle with tow bar needed

We have had a gate made for St Paul's church to replace the central inner door at the main entrance. This is to enable us to leave church open and still secure, rather like the system at Christ the King church. The gate is at Holy Family Presbytery and it needs to get to St Paul's church. There is a trailer available at Beacon park but we need a car with a ball hitch to pull it. If you can help please let Fr petroc know.

Opening St Paul's for prayer

Once we have the gate fixed up at St Paul's we will be able to leave the outside doors open so that people can call in to pray during the day. This will require a rota of people to open and close the outer doors. It would be great if we could get the church open on schooldays in time for the children to be able to call in. Maybe some people who drop off or collect children could be part of the rota.

Advent begins next Sunday

Next Sunday 28 November is the first Sunday of Advent, the time when we prepare to celebrate Christmas.

Christmas Cribs and Trees

We will put these up for Sunday 12 December which is the start of the last week of the school term before the Christmas holiday.

Maybe we could put the big nativity scene on the roof of Holy Family entrance after the mass on Friday 10 Dec if a few people were available then to help.
