Opening St Paul's Church

We have volunteers to open and close church Monday to Friday on school days.

We need a volunteer to open church each Saturday

And one person to open church on Sunday

And one person to close church on Sunday

After this we will think about Monday to Friday during school holidays, but if we can get the above three volunteers we will have made another big step forward.

We aim to put some icons in the entrance and votive candle stands

Online Event: Homelessness

Caritas Plymouth is running an online event on homelessness the 18th of January 2022 6pm—7pm in partnership with St Petrocs, Cornwall. Everyone is warmly welcome to attend. The event will reflect on homelessness in our Diocese and what practical actions we can take to reach out to those who are homeless or at risk of homelessness. Please use the following link to register <https://forms.office.com/r/NkUZyhwcKf> or email caritas@prcdtr.org.uk

Catholics in Derriford Hospital

If you know of someone who is in Derriford who should be seen by the Catholic chaplain please let Derriford know. You can do this by ringing 01752 245255 which is the number of the chaplaincy, or by sending an email to “derriford.chaplaincy@nhs.net”.

The internal protocols mean that the only way the Catholic chaplain will know that there is a patient to be visited is if the patient explicitly asks or someone else sends them the information.

Please do help the chaplains by letting them know if you know of a catholic in hospital.

Keep a note of these contact details so you have them when you need them.

Piano and loud speakers

When Fr Tim moved to Dorset he left his piano in Holy Redeemer Church. If anyone would like it please let us know.

Also we have a pair of large loudspeakers in Holy Family Church which are surplus to requirements. Again if anyone would like them let us know.

Thank you

A big thank you to all who worked so hard to prepare the churches for our Christmas celebrations, and remove things after. As in all churches, there are people who quietly get on with the boring necessary jobs just to keep things going. Mostly we only notice when they stop.

To them too, Thankyou.
